We are hoping to get another day so I will keep you informed!

Weston Wood

19th November 2014 & 14th January 2015

This shoot is the only shoot in the area that has a perfect mix of pheasant & partridges, which make for a great days shooting. I think the partridge are on Red Bull!! We arrive at the lodge in the woods at 9:15 to bacon sandwiches, tea & coffee and lunch is a 2 course meal served with wine.

The day will be approximately 150 birds at a cost of £630 per gun, for birds shot over the bag they will be £35 per bird, which will be divided between the guns and will be paid at the end of the day.

If these dates fill I may be able to get others later in the year and will keep you posted. Therefore they are on a 1st come 1st served basis and must be confirmed with full payment.

If you require a loader for your day then please don't hesitate to ask.
